2. Senior School Research Papers to be Filed in Agency Library

In response to the Executive Director's wish that all research papers prepared by Agency students at the senior schools be available in a special reference file, we have met with Library personnel and supplied the names of all Agency graduates who have participated in these programs. A continuing effort will be made to pull together all of the research papers until the file is complete.

4. Special Communism Course Given for DDS&T

A special one-week orientation on Communism was given last week for 43 recent EODs in the Office of Computer Services. This represented a condensation of the normal two-week Introduction to Communism course which is a regular part of EOD training for professionals. The student body could not have been made available for any of the regularly scheduled courses due to other heavy work commitments.
